Article 2. No Discrimination

The City agrees not to discriminate against any employee because of membership in the Union or because of any lawful activities on behalf of the Union. Union activities shall not interfere with the normal operation of the City. Neither the City nor the Union shall discriminate for or against any employee or applicant for employment on account of race, color, creed, national origin, age, sex, sexual orientation, physical disability, or mental disability which does not prevent an employee from meeting the minimum standards established.

Article 3. Union Security

3.1 Agency Shop

The City shall rely on the certification from the Union to deduct dues and fees from the unit employee paychecks per employee authorizations employees provide the Union to the extent required by law, including but not limited to Government Code Sections 1157.3 and 1157.12. The Union shall not be obligated to provide the City with a copy of an employee's deduction authorization unless a dispute arises about the existence or terms of the authorization.

3.2 Authorization for Payroll Deduction

Upon being furnished with an appropriate form executed by an employee, the City shall deduct from that employee's pay, in the amount stated, contributions to DRIVE (Democratic Republican Independent Voter Education). The Union shall notify the City of the designated amount of dues and fees to be deducted for each unit member, and the City shall deduct the amounts so designated after receiving written certification from the Union that the unit member has provided written authorization to do so. Any request to begin or cancel dues or fee deductions must be made to the Union, and not the City. At the beginning of each month, the Union shall provide the City with a comprehensive updated list of all unit members and the amounts that shall be deducted for their dues and fees.

3.3 Authorization, cancellation or modification of payroll deduction for dues and fees shall be made upon written request and confirmation in writing by the Union. The City shall direct unit members to the Union if they so request to change or cancel dues or fee deductions. The voluntary payroll deduction authorization for dues and fees shall remain in effect until employment with the City is terminated, unless otherwise directed by the Union.

3.4 Deduction Schedule

Deductions shall be made twice per month from the employee's pay. Payments to the Union shall be made by the 15th day of each month following the month for which the deductions have been made together with a list of the employees for whom deductions have been made. 3.6 Newly Hired Unit Members

To the extent required by Government Code Section 3558, the City shall provide the Union with a list of names and contact information (listed below) for any newly hired unit member within 30 days of the date of hire. The information shall include the following information except for any information subject to exclusion pursuant to Government code Section 6254.3(c):

- Employee name
- Job title
- Department

- Work location
- Home address
- Work, home and personal cellular telephone numbers and personal email addresses on file with the City.

This same information shall be provided every 120 days for all unit employees.

The City agrees that personal contact information of unit employees (e.g., home address, personal phone number, personal email address) is private information not to be disclosed to any private (non-governmental) person or entity, other than the Union, except upon written authorization of the employee. The city further agrees to give the Union prompt notice of requests from any such person or entity for such information, along with a copy of the City's response to such requests.

Within (10) ten calendar days, the City will provide to the Union the name, title and separation date of any employee who separates from employment. The Union will provide (10) ten calendar days notice to the City in advance of the date when an employee will no longer be in fee payer status.

3.7 Access to Employee Orientations

The City will notify the Union in writing not less than ten (10) days in advance of the onboarding orientation meeting (if any) held between the Human Resources Department representatives and new bargaining unit employees. If a bargaining unit member's first day of work begins less than ten (10) days before the date of the employee orientation, the 10-day notice requirement may be reduced and the City will instead provide as much advance notice as reasonably possible of the orientation meeting.

The City will allow a designated unit Union member representative or an outside labor representative to spend fifteen (15) minutes with the new unit member at the end of the onboarding orientation meeting in order to provide information about the MOU and related matters.

To the extent prohibited by law, the City agrees that it will not disclose the date, time, or place of any such new employee orientation to anyone other than the employees who are to attend the orientation, the Union, or a vendor that is contracted to provide a service for purpose of the orientation.

The Union will be responsible for providing a copy of the current MOU and any Union information to the new employee.

Article 4. Union Representatives

4.1 Attendance at Meetings by Employees

to have a shop steward or, or if no shop steward is available, a co-worker present during the interview.

4.2 Shop Stewards

The Union may appoint a maximum of six (6) shop stewards. The Union will notify the City of Hercules in writing with the names and any changes to shop stewards. Grievances which may arise and which cannot be adjusted on the job shall be reported to the Union by the steward; provided, however, in no event shall the steward or the Union order any changes, and no changes shall be made except with the consent of the City.

If an aggrieved employee desires the assistance of a steward as provided in the grievance procedure, the City shall afford said steward reasonable time off during work hours without loss of compensation or other benefits to investigate and take up said grievance. The steward shall obtain the approval of their Department Director or designee, before leaving his/her duties or work assignment for the purpose of investigating and/or processing a grievance. Reasonable efforts shall be made to grant such requests; however, they are subject to the operational needs of the City.

4.3 Access to Work Locations

Reasonable access to employee work locations shall be granted to officially designated Union representatives, for the purpose of contacting members of the bargaining union concerning business within the scope of representation.

Any Union representative seeking access to work locations, as a courtesy, will notify the City Manager or his/her designee when reasonable the day before meeting with the time, date, and approximate length of the meeting. Access shall be restricted so as not to interfere with the normal operations of the department or with established or security requirements. Any meetings or discussions with employees shall generally be limited to the employee's time before work, after work, break time or lunch hour unless it is necessary in the resolution of a grievance and approved by the City Manager or his/her designee.

The Union shall designate, in writing to the City Manager, the names of the representatives listed above.

4.4 Bulletin Boards

The Union may provide the City with two bulletin boards with the dimensions of approximately 2'x 3' to be placed by the City in a mutually agreeable location. The Union may use these bulletin boards to post:

4.6 Prior Notice Requirement

The City agrees to notify the Union ten (10) working days in advance of any Policy, Rule, or other change that will have an impact on the bargaining unit. The Union will then respond within ten (10) working days of receipt of Policy, Rule or other change. The first day will be considered as the day notice is received either through an e-mail, fax or letter.

4.7 Meet and Confer in Good Faith

"Meet and confer" or "meeting and conferring" means that duly authorized City representatives and duly authorized representatives of the Union shall have a mutual obligation to meet and confer in good faith regarding specified matters within the scope of representation, in an endeavor to reach tentative agreement. Once a tentative agreement has been reached on any matter requiring ratification or City Council adoption the parties shall recommend ratification by the membership and adoption by the City Council. Nothing herein shall require either party to agree to any proposal or to make concessions.

Article 5. Recruitment

5.1 Recruitment Postings

The City agrees to post all bargaining unit positions internally for ten (10) workdays on the City website, e-mail and appropriate bulletin boards prior to the closing application date. The City encourages all qualified internal candidates to apply for promotional opportunities. The City may, at its discretion, prior to commencing a formal recruitment process for job vacancies, solicit employee interest for the position. At the discretion of the City, it may perform internal recruitments.

Article 6. Salary Plan and Wages

6.1 Manner of Payment

Employees shall be paid every other Friday via direct deposit. Routine paychecks shall be for the purpose of compensating for regular time, overtime, sick leave and vacation hours. Reimbursable expenses shall be paid on a separate check. Overtime, vacation, and sick leave, shall be processed and paid or reported on the

subsequent paycheck.

6.2 Work in a Higher Classification

Eligible employees who are authorized in writing by the department head to work in a higher classification and salary range than their own and who are required to temporarily perform substantial duties and assume the responsibilities of the position will receive out of class pay. To be eligible for out of class pay employees assigned to work in a higher classification must meet the minimum qualifications of the assigned position. Employees will be eligible for work in a higher classification on the first workday in a higher classification.

Compensation for work in a higher class shall be at either five percent (5%) above said employees' existing salary rate or the hourly rate equal to the minimum rate as provided in the salary range for the designated position, whichever is higher. Any out of class work for which premium compensation is provided requires advance written approval by the City Manager or designee.

Employees who are working in a higher classification that is outside the scope of this Agreement shall be covered by the general terms and conditions of employment of the higher classification. All wages, including sick, vacation, comp time and holiday shall be paid at the out of class pay rate.

Additional Duties pay of 5% will be compensated to an employee when an employee assumes limited duties of a higher classification as approved by the City Manager.

6.3 Wages

Employees will receive a 4.50% Cost of Living Adjustment (COLA), effective the July 1, 2022, with a one-time non-PERSable payment of 3.0% of their total gross salary for the 2021/22 fiscal year.

FY 2023-24

Employees will receive a 4.50% Cost of Living Adjustment (COLA), effective the July 1, 2023, with a one-time non-PERSable payment of 3.0% of their total gross salary for the 2022/23 fiscal year.

6.4 Longevity Pay

20 years of service:	\$225.00 per month
25 years of service:	\$275.00 per month

Longevity pay shall be paid in 24 bi-weekly installments and shall be in addition to any

other pay received under this Agreement.

6.5 Re-Certification of CPR and First Aid

Recertification of CPR and First Aid will be paid by the City for all eligible regular part-time employees every two years if required by Parks and Recreation programs. Should a part-time employee fail the CPR or First Aid test the responsibility of payment becomes the employee's responsibility.

6.6 Incentive Pay

At the discretion of the Department Director and approval by the City Manager employees may be awarded at any time during the fiscal year incentive pay not to exceed 5% for extraordinary job performance.

Article 7. Hours of Work/Workweek

Standard workweek: The standard basic workweek for part-time employees including those part-time employees on a 9.5/76 schedule shall be from Sunday at midnight through the following Saturday at 11:59 p.m. The City may assign a different workweek when it is deemed necessary so long as the employee receives proper notification. When practical or feasible a part-time employee will be given no less than one (1) day written notice in advance of a change in their assigned regular work week or shift schedule unless mutually agreed upon between the employee and the Department Director. The assignment of work weeks and shifts will be based on seniority provided the employee in the department has the minimum qualifications to perform the work.

Employees receiving benefits, must use accrued leave balances to reach the appropriate hours per week for the benefits being received if scheduled hours do not meet the hours required.

7.1 Lunch and Break Periods:

The time allowed for an unpaid lunch break shall be a minimum of thirty minutes and no more than one hour and will be approved or disapproved at the discretion of the Department Director. All regular part-time employees who are scheduled to work at least four (4) hours shall be permitted one fifteen minute paid rest period at approximately the middle of the four hour period. Part-time employees who are scheduled to work at least six hours shall be permitted to a second paid fifteen minute rest period. Rest periods shall not be taken at the end of a workday to permit an employee to leave early, nor may rest periods be used at the beginning of a workday to allow an employee to report for work after their regular assigned starting time.

The City will comply with all applicable State Laws and Regulations governing meal periods and rest periods.

Article 8. Overtime and Emergency Premium Pay

8.1 General Overtime

The City's policy is to avoid overtime work whenever possible. Overtime work may be performed, however, if it is approved in advance by the City Manager or Department Director. Such approval shall be provided to the employee within a reasonable time.

Overtime shall be paid at the rate of one and a half (1.5) times the regular hourly rate for all hours worked over 40 in the regular work week for all non-exempt classifications. Overtime shall be paid at the rate of two (2) times the regular hourly rate of pay for all hours worked over twelve (12) hours in a work day.

In any pay period during which an employee is using approved leave time and "overtime" hours are worked, the employee can elect to reduce leave utilized during that pay period rather than being paid at straight time for anything up to 38 hours. In any work week during which an employee is using pre-scheduled and approved vacation or comp time, these hours are defined as "hours worked".

To the extent practical, overtime work shall be distributed equally among qualified employees insofar as possible based on the minimum qualifications needed for the task and to be done on a rotated basis by department or division as designated by the direct supervisor and approved by the Department Director. Except for Holiday pay, time paid and not worked (e.g. sick leave, vacation, etc.) does not count toward the forty hours necessary to receive overtime.

8.2 Emergency Premium Pay

In an emergency preparedness situation, as designated by the City Manager or designee, all employees required to work in excess of an eight hour shift shall receive premium pay at the rate of two (2) times the employee's regular base rate of pay for all hours worked over eight hours.

8.3 No Pyramiding

There shall be no pyramiding of overtime. For example, if an employee's work hours qualify for overtime, the same work hours cannot qualify for any other premium pay.

Article 9. Uniforms

When the City requires employees to wear a uniform- shirts, pants, vests, hats or other apparel, the City will provide the uniform. Non-sworn police employees shall continue to receive a \$500 uniform purchase allowance consistent with Resolution 00-01. Payments shall be made twice a year in July and January.

9.1 Safety Equipment

The City will furnish all safety equipment that is required to perform the task or job at no cost to the employee.

9.1.1 Safety Shoes

The City will provide a reimbursement of up to \$200 per fiscal year for one pair of safety shoes for any regular part-time employee required to wear safety shoes.

Article 10. Education/Tuition Reimbursement

There will be a total of \$30,000 allocated to the Education Reimbursement Program for all City employee groups.

Article 11. Holidays – Regular Part-Time Employees

Although all regular part-time employees working 20 or more hours are covered by this Agreement, to be "eligible" for employment benefits such as holiday, sick leave, vacation, etc., the regular part-time employee must be in a regularly classified position and be regularly scheduled to work 20 hours or more per week effective the date of adoption of this agreement by the City Council.

11.1 Proclaimed Holidays

Eligible regular part-time employees shall receive 14 designated holidays plus two floating holidays to be observed during each fiscal year (July 1-June 30). Employees normally scheduled to work on those days will be given the day off with pro-rated pay provided they are eligible as set forth below. Floating Holidays may not be carried forward from one fiscal year to the next and are not compensable at the time of separation from City service.

- Independence Day
- Labor Day
- Veterans' Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Eve Day
- Christmas Day
- New Year's Day
- Martin Luther King, Jr. Day
- President's Day
- Memorial Day
- Juneteenth
- Two Floating Holidays

If any of these Holidays fall on a Sunday, the Monday following shall be observed as the holiday. If any of these Holidays fall on a Saturday, the preceding Thursday shall be observed as the Holiday.

To be eligible for Holiday pay, employees must have worked the workday before and the workday after the Holiday, or be in approved paid leave status the workday before and the workday after the Holiday. Employees on approved vacation or sick leave shall not be charged vacation or sick leave for the Holiday.

An approved paid status means that if an employee is scheduled to work during a given week, he or she has scheduled or unscheduled time off that would be covered by pay or leave has been approved. Paid leave such as bona fide sick, vacation or other compensable accrued benefit for essential paid time off must be available and currently on the books.

Employees on approved paid vacation or sick leave shall be paid for the Holiday. Holiday pay for part time employees shall be pro-rated based upon the regular number of hours scheduled to work per week. (An employee scheduled to work 30 hours per week (30/40 hours) would receive seventy-five percent (75% of the full day holiday pay, 6 hours).

The Proclaimed Holidays listed above are effective upon adoption of this agreement by the City Council.

11.2. Additional Christmas Holidays

For the term of this MOU and consistent with past practice, the majority of the City's offices will continue to be closed during the Christmas week. In lieu of holiday pay, employees who were otherwise eligible for holiday pay described below can elect to use any unused, accrued vacation, sick or compensatory time available in order to receive pay for these days. Alternatively, employees can choose to take unpaid leave during these days.

11.3 Pay for Working on a Designated Holiday

An eligible part-time employee who is required by the City to work on the day a Holiday is observed as designated in Section 11.1 shall be paid for the hours actually worked on the Holiday at the rate of time and one-half.

NOTE: Children's Program positions are allowed to use any type of accrued leave when schools are on break and childcare programs are not in operation.

Article 12. Leaves of Absence

12.1 Authorized Leaves of Absence without Pay

12.1.1. Requesting Leave

The City Manager may upon the request/recommendation of the Department Director grant an employee an unpaid leave of Absence not to exceed three (3) months. Such leave shall be discretionary and based upon the needs of the City. Employees desiring to take time off without pay who have no leave balances available shall submit a request in writing to their Department Manager. Whenever possible, such requests shall be submitted at least five (5) weeks or 20 working days in advance.

12.1.2 Early Return From Leaves of Absence

An employee may request permission from the Department Director to return to work prior to the approved expiration of the leave. Approval of the Department Director and the City Manager for such early returns is discretionary.

12.1.3 Failure to Return to Work from Leave of Absence

Failure of an employee to return to work on the approved date is grounds for disciplinary action up to and including dismissal. (See Article 15).

12.1.4 Benefits During Leaves of Absence

Employees on leaves of absence may continue their medical and insurance benefit coverage by reimbursing the City directly for the amount of the insurance premiums in advance. Such reimbursement must be made in advance by the 30th day of the preceding month for the subsequent month for each month in which the employee wishes to receive coverage. Should the employee fail to submit payment on a timely basis, the Personnel Department will send the employee a reminder notice. Coverage in any plan will be dropped if the employee is more than 30 days late in making a premium payment.

12.1.5 Status of Employees on Authorized Leaves of Absence

An authorized leave of absence does not represent a break in employment for a regular part-time employee. Such an employee retains all accrued vacation, sick leave, and other rights existing at the time the leave of absence begins. However, only active part-time service shall count towards accumulated seniority or to benefits that accrue according to time of service (including vacation and sick leave). Vacation, sick leave, holiday, and merit step salary increases and/or incentive increases do not accrue to an employee on leave during the period of such leave. An employee returning from leave of absence returns to the same salary step or relative placement in the pay range existing at the time when the employee returns to work.

Upon the recommendation of the Department Director and at the discretion of the City Manager, a probationary part-time employee who has been granted an authorized leave of absence during the probationary period may be granted an extension of his or her probationary period by written agreement signed by the City Manager and the employee.

12.2 Bereavement Leave

Bereavement Leave of up to 24 hours (prorated based upon regular work schedule) shall be provided to eligible regular part-time employees in the event of a death in the immediate family of the employee. In addition to the prorated 24 hours of bereavement leave, employees may use accrued unused vacation or sick leave to extend their bereavement leave up to a total of 40 prorated hours. At the discretion of the City Manager, additional time may be taken as vacation and/or sick leave or unpaid leave. For example a regular part-time employee who is regularly scheduled 30 hours per week would be eligible for a maximum of 18 hours of City paid bereavement leave in any one year.

The immediate family of an employee is defined as: parents, step-parents, parents-in-

law, spouse, domestic partner, child, step-child, brother, sister, grandparents, grandchildren, brother/sister-in-law, son/daughter-in-law, or legal guardian. In special cases, the City Manager may approve a leave of absence for bereavement in other circumstances.

12.3 Jury Duty

The City provides jury duty leave with pay for all eligible regular part-time employees who are called upon to serve for court jury duty according to the following provisions:

An employee called for jury duty should immediately notify his/her department director by providing the jury summons indicating the date, time, and place.

If an employee is dismissed by the Court and three (3) hours or more remain in the workday, the employee is expected to report to work.

Employees' compensation for jury duty shall be limited to prorated pay based upon the regular work schedule and shall not exceed two weeks in duration. Employees whose jury service is in excess of two weeks may request to the City Manager for continued payment. Employees serving jury duty in excess of the above limit may use accrued unused vacation to continue pay.

12.4 Military Leave

The City shall comply with all State and Federal requirements regarding military duty leave.

12.5 Pregnancy Disability Leave (PDL)

Employees disabled due to pregnancy may be entitled to a leave of absence for the period of disability up to four months. Employees on PDL may utilize accrued unused sick leave and vacation during the leave period. The City shall comply with State and Federal laws.

12.6 Maternity and Paternity Leave

A maximum of five (5) prorated accumulated sick leave days may be granted to an employee whose spouse is disabled due to pregnancy related factors. The five-day maximum leave may be extended at the discretion of the City Manager. Employees may use accumulated vacation for purposes of maternity or paternity leave; and thereafter, employees are eligible for an unpaid maternity or paternity leave that extends the total leave, time both paid and unpaid, to three (3) months after the date on which the mother was able to resume her duties.

12.7 School Leave

Any employee who is a parent, guardian or grandparent having legal custody of one or more children in kindergarten or grades 1 through 12 or attending a licensed day care facility shall be allowed up to forty (40) prorated hours each school year, not to exceed

eight (8) prorated hours in any calendar month of the school year, without pay, to participate in activities of the school of their child. Such employee must provide reasonable advance notice of the planned absence. The employee may use vacation to cover the absence. The City may require the employee to provide documentation from the school as verification that the employee participated in school activities on a specific date and at a particular time. If both parents, guardians and grandparents having custody, work for the City at the same work site, only the first parent requesting shall be entitled to leave under this provision.

12.8 Family and Medical Leave Act of 1993

The parties acknowledge the applicability of the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) and intend to apply and implement this MOU so as to comply with both State and Federal Law.

12.9 Voting Leave

Consistent with the provisions of California law, employees shall be granted sufficient time to vote during municipal, primary, and general elections.

Article 13. Sick Leave

Regular part-time non-probationary employees shall be eligible to accrue sick leave at the rate of eight (8) hours per month prorated based upon their regular work schedule after being employed with the City for 12 months. For example, a part-time employee who is regularly scheduled to work 30 hours per week would accrue sick leave at the rate of 6 hours per month. Sick leave is to be used only for illness, injury or medical appointment (or under limited circumstances, a death in the immediate family).

The immediate family of an employee is defined as: parents, step-parents, parents-in-law, spouse, domestic partner, child, step-child, brother, sister, grandparents, grandchildren, brother/sister-in-law, son/daughter-in-law, or legal guardian.

After three consecutive sick days the City may require an employee to submit a doctor's statement and/or other reasonable verification stating the reason for the sick leave request.

13.1 Accumulation of Sick Leave

If an employee has 2080 hours (one year) of accrued unused sick leave, the employee shall cease earning sick leave until such time as their unused balance falls below 2080 hours.

13.2 Exhaustion of Sick Leave

In cases where an employee's request for sick leave would ordinarily be approved, but the employee has no accrued unused sick leave, the employee's vacation leave shall be charged for the sick time. If the employee has no accrued unused vacation time, then the employee may be placed on authorized unpaid leave.

13.3 Notification

15.2 Definition of a Grievance

A grievance is defined as a claim or dispute with the City by the Union, an employee or group of employees, involving an alleged violation by the City of the terms of this MOU. All grievances shall be handled strictly in accordance with this Grievance procedure, unless otherwise mutually agreed upon. Employees are encouraged to discuss all work related problems and seek resolution of those problems with their supervisor.

Step 1.

The Union shall have the right to present to the City in writing, within ten (10) working days from the time of the occurrence giving rise to the dispute, a grievance setting forth any claim, dispute or grievance arising under this MOU which the Union believes the City has violated. If the employer has not received a written grievance within ten (10) working days, the matter will be deemed waived and cannot be grieved any time in the future, and will not be subject to the arbitration procedure set forth in this section at any time in the future. However, the City and Union may mutually agree in writing to extend beyond ten (10) working days the Union's time to present a written grievance.

Step 2.

The parties will meet within ten (10) working days following the City's receipt of the written grievance. For the purpose of preparing for the grievance procedure, the parties will cooperate by providing any supporting documents that exist that are relevant to their position. The City will provide a written answer to the grievance within fifteen (15) working days after said meeting.

Step 3.

In the event the grievance is not resolved, the parties may jointly agree to submit the dispute to grievance mediation. Said mediation to take place at a mutually agreed upon time not to exceed twenty (20) days following the last grievance meeting, unless such time limits are extended by mutual agreement between the parties. The grievance mediation will be conducted by the State Mediation and Conciliation Service.

Step 4.

If neither party requests grievance mediation then in order to proceed to arbitration the Union must request arbitration within five (5) calendar days of the City's response in Step 2 or the date of the failed mediation. Except that discipline of a written reprimand shall not be subject to arbitration but shall stop at either step 2 or step 3.

15.3 Advisory Arbitration

Section 1.

If arbitration is requested in accordance with the above requirements, the parties shall attempt to reach agreement upon selection of an arbitrator. If the parties are unable to agree upon an arbitrator within five (5) working days from the date of the request or agreement to arbitrate, either party may request the State Mediation and Conciliation Service to submit a list of arbitrator's names from which to select an arbitrator. The parties shall then alternate striking in sequence until only one name remains. The person whose name remains on the list shall be the arbitrator.

Section 2.

Any dispute which is based on the events that occur after the termination of the MOU is expressly excluded from the jurisdiction of the arbitrator, unless the parties agree otherwise.

Section 3.

No one arbitrator shall have more than one (1) grievance submitted to them, and under consideration by them, at any one time unless the parties hereto otherwise agree in writing. A grievance shall be deemed under consideration by an arbitrator until the arbitrator has rendered a decision in writing.

Section 4.

On all non-disciplinary issues heard by an arbitrator, the decision and award of the arbitrator, within the limits herein described, shall be final and binding on the parties. For all disciplinary appeals heard by an arbitrator, the decision and award of the arbitrator, within the limits herein described, shall be final and binding on the parties.

Section 5.

The arbitration fees, expenses, and administrative fees, shall be shared equally by the parties. Each party will bear its own legal expenses and costs incidental to the presentation of this case.

Effective October 21, 2018 or upon the signing of the CalPERS contract amendment, employees will pay an additional 3% to be applied to the Employer CalPERS Contribution Rate. Upon separation, the employee will retain the 3% employee for employer contribution in the CalPERS retirement plan.

The PERS benefit formula and percentages paid by any Teamster employee hired on or after January 1, 2013 who are not already in a PERS recognized retirement system will change, in accordance with AB 340, signed into law on September 12, 2012. Teamsters employees hired on or after January 1, 2013 shall receive the PERS benefit formula of 2% @62, and shall pay the employee percentage of the PERS contribution at 6.25%. Effective October 21, 2018 or upon the signing of the CalPERS contract amendment, employees will pay an additional 3% to be applied to the Employer CalPERS Contribution Rate. The employee shall contribute a maximum of up to 2% of the rate increase and the City will be responsible for rate increases above 6%.

The City will pay its share of the current Kaiser coverage as described above for employee-only for regular part-time employees working a minimum of 30 hours per week. Part-time employees working at least 20 hours per week prior to July 1, 2012 shall continue to receive benefits as outlined in the Memorandum of Understanding prior to this date.

The City will pay dental and vision insurance premiums for eligible regular part-time employees working 25 hours per week or more on a prorated basis. For example, a

regular part-time employee who is scheduled to work 30 hours per week (3/4 time) would be required to pay 25% of the premium for the dental and visions insurance.

If an employee chooses a health plan other than Kaiser the employee is responsible for the difference in premium. The excess amount over the Kaiser Rate will be deducted through payroll deductions through 24 pay periods. If the employee fails to pay the difference in premium their health insurance is subject to cancellation.
