Planning Division

- **Tentatively approved Minor Modification #21-04, a request by Marni-Lyn Fox, representing Hercules Development Partners LP, to reduce the residential unit count and increase the building sizes and heights of limited sections of an east-facing façade at Bayfront Blocks M/P & O, 1100 & 1200 Bayfront Loop Road, 2300 John Muir Parkway. (*Final day to appeal: September 2, 2021*)**

Planning Commission

At its next meeting on **Tuesday, September 7** (rescheduled from Monday, September 6 due to the Labor Day holiday), the **Planning Commission will hold public hearings for the following:**

- **Design Review Permit (DRP) #21-02 to install a Bloom Clean Energy Server at Bio-Rad Laboratories, Inc., an existing 96,750-square-foot research and development site at 4000 Alfred Nobel Drive in Hercules, CA.** The site is in a Planned Office–Research & Development Mixed-Use (PO/RD) zone.
- **Design Review Permit (DRP) #21-04, for a 12-ft.-high, 486-sq.-ft., free-standing pergola on the rear patio at the Civic Arts Building at 1991 Railroad Avenue in Hercules, CA. The applicant is Mohammed Azam, doing business as “Leila by the Bay” restaurant.** The building is owned by the City of Hercules and is on a 1.14-acre site that is part of the Waterfront District and zoned Historic Town Center. The building itself is subject to the *Hercules Design Guidelines for Historic Preservation*.

At its following meeting on **Monday, September 20, the Planning Commission will hold a public hearing for the Franklin Canyon RV Resort project**, a proposal to convert the existing Franklin Canyon Golf Course into a recreational vehicle campground with amenities, including a new 10,000-square-foot clubhouse, and approximately 70 acres of open space to be granted to the John Muir Land Trust. The project approvals include a lot line adjustment, parcel map (to divide the property into two parcels), and a design review permit.

City Council

The City Council will hold a **public hearing at 7:00 p.m. at its regular meeting on Tuesday, September 14, 2021, to consider an appeal of Minor Modification #21-03 for the Safeway**

Center, located at the northeast corner of the intersections of Sycamore Avenue and San Pablo Avenue in Hercules (4080 San Pablo Avenue). Modifications to the previously approved site plans and designs include:

- Replace three bike lockers (with capacity for six bikes) with bike racks of equal capacity, resulting in three on-site bike lockers (two outside the Safeway store and one outside the fuel kiosk);
- Plant hedges along the east edge of the property in lieu of trees along the east and north edges of the property due to existing underground gas line, retaining wall, and limited space;
- Relocate two trees at northwest corner of the property; and
- Remove hanging plants on lights poles.

PUBLIC WORKS DEPARTMENT

Maintenance & Operations

Staff completed their regularly scheduled custodial and facility-related tasks in public parks,

buildings, and sewer lift stations. They cleaned up numerous illegal dumping, repaired streetlights, removed litter on roadways, and replaced a section of fence behind Leila's restaurant. Engie continues to advance the Energy Generation and Conservation Project. They are currently working on the HVAC upgrades and finishing the solar arrays. Staff began inventorying street signs for replacement on private streets. A contractor was secured for the streetlight replacements in Village Parkway and the gems/birds neighborhoods. The streetlights are in the process of being fabricated and installation is anticipated to start the first week of October.

Engineering

The public improvements were completed for the Bayfront Development Blocks Q&R including sidewalks, loop road and the abandonment of Linus Pauling. The design plans are also under review for the Sycamore Crossing development project, including the EBMUD relocation of the waterline into San Pablo Avenue and hotel. The improvement plans reached 100% completion for the mile long segment of replacement sewer trunk main leading into the Pinole-Hercules Water Pollution Control Plant and the project will be bid out once permits are obtained from regulatory agencies. Design on the Regional Intermodal Transportation Center (RITC) is advancing utilizing \$1.2M in grant funding. Plan check is underway for private development projects including the Hilltown development, Franklin Canyon RV Park, America's Tire Store, and the Willow Storage Facility. The Civic Drive/Sycamore Avenue Pedestrian Enhancement Project is nearing completion.
