Community Cleanup Day Recap

Community Cleanup Day was held this past Saturday, May 7, at the Corp Yard. The event was a big success. 231 vehicles came through the gates during the 3-hour period. To put this in perspective, in September of 2021 when we brought the Cleanup Day back, we saw 117 cars. Pre-pandemic we would routinely get 205-240 vehicles. Which means we are back to pre-pandemic numbers. We had 12 dumpsters (debris boxes), allowing us to service 12 vehicles at a time, for as long as there were vehicles. We would like to recognize all of the City

Recognized Nonprofit Groups who came out to help out with the event. We had over 60 volunteers! Many hands make light work. Everyone worked really hard, and it showed. **Additional photos are at the end as an attachment.*
