Possession of Methamphetamine, Possession of Drug Paraphernalia: On December 6, 2023, at 10:30 am, an Officer checked on an unoccupied vehicle (black 2013 Dodge Charger). The vehicle was parked, crooked between two stalls, in the Safeway parking lot. The vehicle had significant rear end damage, and an expired California temp plate attached to its rear. Upon further inspection of the vehicle, the Officer observed drug paraphernalia in the Dodge's center console, and suspected methamphetamine on the driver floorboard, in plain view. A 25 year old male, of San Pablo, later returned to the vehicle. The subject was detained, without incident. A probable cause search of the vehicle was conducted, and two suspected methamphetamine pipes were located. A search of the subject's person was also conducted, and suspected methamphetamine was found. The subject was arrested, issued a citation, and was released from custody on his signed promise to appear in court.
